If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

In the Office Action mailed November 18, 2010, it was indicated that claim 88 would be allowable if rewritten to overcome the rejection(s) under 35 USC 112, 2nd paragraph that were set forth in that Office Action and to include all of the limitations of the base claim and any intervening claims.

Present claim 86 constitutes former claim 88 so rewritten. The indication of the allowability of such has not changed.

Additionally, the previous rejection of claim 89 regarding a lack of antecedent basis in line 3 for the limitation "said active surface" has been withdrawn. Upon further consideration, it appears clear which "active surface" is being referred to.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Priority

2. It was noted in the Office Action mailed November 18, 2010 that no certified copy of the Italian priority application had been received, but that it was not Applicant's burden to supply such since the present case is a national stage application filed under 35 USC 371. Examiner was able to retrieve the Italian priority application. In order to make sure that it is officially present in the file, it is being cited on a PTO-892 (Notice of References cited).
